

NOTICE of AVAILABILITY of ELECTRONIC COMMUNICATIONS

Under a new law, chief appraisers of county appraisal districts, appraisal districts, and appraisal review boards may communicate electronically through email or other methods with property owners or their designated representatives. Electronic communication for the purpose of delivering notices, applications, and other documents is authorized only **if** the Chief Appraiser and property owner or designated representative agrees under that law to communication in an electronic format. At this time, the Calhoun County Appraisal District has opted **not** to use electronic communication for the purpose of receiving or delivering any notice, application, or other documents required or permitted by the Property Tax Code.

This should serve as notification that the Calhoun County Appraisal District shall rely on any method of delivery authorized by the Property Tax Code for any notice, application, rendition, or any other document required or permitted by the Property Tax Code **except** for delivery by electronic format.
