**NOTICE**

Due to the challenges predicated by the outbreak of the COVID-19 VIRUS, the Calhoun County Appraisal District encourages all agents and property owners to use electronic filing of all renditions, surveys, exemption applications, protests and any other property tax form that can be submitted online or by email if possible. This should save time, expense and limit unnecessary contact between the appraisal district staff and the public. No deadline extensions have been authorized outside of the usual extensions permitted by law. Please use contact information listed below.
